MEMORANDUM FOR: Mr. John McMahon
Acting Director
Central Intelligence Agency

SUBJECT: Request for "Fast Track" SNIE on Poland

On behalf of Secretary Shultz, I would like to request a SNIE on likely trends in Poland over the next year. It should address the following questions:

- To what extent does Jaruzelski act on Moscow's behalf? How much freedom of action does he have?
- How far may Jaruzelski plan to go in the direction of liberalizing his regime?
- How important a factor will the Solidarity underground be? Will internal tensions increase? To what degree and with what consequences?
- What are economic prospects for the short and intermediate terms?

To be of maximum utility to the Secretary, the SNIE should be completed by August 25. I realize that this is a very short deadline, but anticipated events in Poland leave us no alternative.

Hugh Montgomery
